

Matrix Tool Turns 50!

Did you hear about our big news? 2022 marks the 50th Anniversary of Matrix Tool, Inc.!

Founded in 1972, Matrix Tool, Inc. is a full-service Thermoplastic Injection Mold Building and Molding company serving the high precision Automotive, Computer, Electronics, Metal Injection Mold (MIM), and Pharmaceutical/Medical Industries.

We want to express our appreciation and gratitude with a big **THANK YOU** to all of our past and current customers, as well as our past and current team members. We would not be where we are today without all of you. As part of a year-long acknowledgement of our amazing journey, we have a variety of activities and celebrations planned! You will be seeing our special edition logo quite a lot this year so stay tuned and thank you for helping us recognize this exciting

milestone in Matrix Tool, Inc.'s history! For a more complete look into our 50-year evolution, please visit: [Matrix Tool History of Tooling and Plastic Injection Molding](https://www.matrixtoolinc.com/history) ([matrixtoolinc.com](https://www.matrixtoolinc.com))
