

NATIONAL NIGHT OUT WITH ELK VALLEY ELEMENTARY SCHOOL (EVES)

On August 2, 2022, a few Matrix Tool, Inc. team members made an appearance at Elk Valley Elementary School (EVES) for their National Night Out (NNO) event. The NNO event is a time for community members to come together and enjoy each other's company while promoting comradery and encouraging safety within the Girard and Lake City communities, alike. This year, the event was well received, with hundreds of people in attendance.

Numerous companies and organizations were present at the event. It was a great opportunity for Matrix to interact with families and community members while also promoting employment opportunities. Matrix has been a proud corporate sponsor of the elementary school since early 2020 and we are extremely grateful for the opportunities that have resulted from it. Matrix continues to actively fulfill our commitment to support EVES in a number of ways through the United Way!

Thank you everyone for coming out, we hope you had a great time!

We're looking forward to next year's event!
