

## Full-Service Manufacturer Recognized for 50 Years in Business

On behalf of the Manufacturer & Business Association, John Krahe recently presented Matrix with a special commemorative plaque to celebrate the Company's 50th Anniversary. Matrix's founder and past President stopped by to celebrate this milestone and take a picture with his three sons, who currently own and operate the business.

We are excited to be a part of the Erie economy and are thankful to everyone who has helped contribute to our growth and vitality over the past 50 years. Our successes during the half-century spanning 1972 - 2022 simply would not have been possible without excellent employees, customers, and vendors / community allies!
