

REMINDER TO COUNT YOUR BLESSINGS, NOT YOUR CARBS

With the Thanksgiving holiday approaching, it's important that we're all reminded to be grateful for the blessings in each of our lives. This holiday provides everyone with much-needed time for reflection while being surrounded by their loved ones. Matrix Tool, Inc. is grateful for our customers, employees, vendors, and supporters!

To help do our part during this Thanksgiving holiday, Matrix Tool and our employees, supported the Elk Valley Elementary School (EVES) with a Thanksgiving Meal Bag drive. The meal bag drive was intended to help provide Thanksgiving dinner to some of the school's neediest families.

We are extremely proud of the response we received from our employee population! We collected a total of 53 Thanksgiving Meal Bags over the last couple of weeks – all donated by the collective efforts of company employees!

A huge thank you goes out to the entire Matrix team for supporting those in need this Holiday!

Everyone have a safe and wonderful Thanksgiving this year, from our Matrix family to yours!
