

## **Matrix Presented with Seventh Consecutive Supplier Outstanding Performance Award**

Matrix Tool, Inc. is pleased to announce that we were awarded our seventh consecutive Supplier Outstanding Performance Award from one of our long-term/high-volume customers. We are proud to receive this recognition and view it as a continued reminder of our ongoing commitment to customer quality and operational performance requirements!

Dave Moyak, General Manager of the Plastic Injection Molding Division, noted "Matrix employees take pride in being recognized as one of our customer's top molding vendors. The recognition reminds each Matrix employee what we can achieve by working together as a team to address the unique manufacturing challenges we face on a regular basis".
